Descendants of Deloras and Charles Dermer at the time of Deloras Dermer's death:
8 children, 18 grandchildren, 27 great-grandchildren, and 1 great-great-grandchild (54 total).
Including 3 step-grandchildren (Peggy Lanning's children Melissa and Keith, Susie's son Josh) and 1 step great-grandchild (Melissa's son Corbyn) gives
8 children, 21 grandchildren, 28 great-grandchildren, and 1 great-great-granddaughter (58 total).
Dad and one great-grandson preceded Mom in death.

Official names are given when known, except in the case of my grandfather Rudolph, who went by Ralph.
Sindelar uncles' nicknames are John, Joe, Jim, George, Steve, Dan and Sam. I called my Dermer uncle Uncle Gene while growing up, but he preferred the name Al later in life. Life of the Dermer and Schick families from 1950-1986 is chronicled in *Letters from My Mother* (1994, unpublished), compiled and edited by Marlene Dermer Schick.
